Dr. Adediran:

Can we send out someone to look at this area and determine what is involved to have sidewalks installed.

Thank you,

Good Morning Councilwoman McKenzie,

As a resident of College Park I am deeply concerned about the lack of sidewalks on Fairway Dr, namely from the Oxford Walk subdivision to Washington Rd. There are many families who walk this short route to get to Herschel Rd whether with their children or with their dogs and without sidewalks this is a major safety concern. Therefore, I am requesting sidewalks on Fairway Dr. from the Oxford Walk subdivision to Washington Rd. I look forward to your response on this matter.

Respectfully,
